#### A flexible life cycle

Luca Nichetto's chair Phoenix luminously represents the Lifecircle philosophy that is the soul of Offecct. Every detail of the chair is carefully conceived, thought through, purposefully designed and crafted for a long, sustainable and flexible life cycle. The fruit of this development process is a chair of original elegance and contemporary timelessness.

#### The name

Phoenix is named after the bird in ancient mythology that continuously rises from its ashes.

The frame is made from recycled aluminum, the upholstered parts can easily be replaced and there is great flexibility regarding colors and materials.
