

MOVE ON HIGH & LOW
Barstool
By Mattias Stenberg

OFFECCT

PRODUCT INFORMATION

"Move On high and low, are two discreet, mobile stools that do not obstruct the room. They work good at a bar or other similar informal meeting places, as well as with On Point", says Mattias Stenberg.

The bar stool is upholstered with legs in white-pigmented ash. The seat frame is made in recyclable aluminium, according to Offecct Lifecircle.

Benefits & functions

- Easy to assemble and disassemble the seat frame.
- Is available in two different heights, 600 mm and 800 mm.

The foot ring and seat underframe is available i black, silver or white lacquer alternative in Offecct Flexicolor.
