

SMALLROOM PLUS LOW
Sofa system
By Ineke Hans

OFFECCT

PRODUCT INFORMATION

Smallroom is a sofa system in a strict and stylish design. The "box" on the side can be used as a working surface with optional power devices. The sofa is available in several different looks, which provides the architect a possibility to create environments that evoke interest.

Lowroom is upholstered with divided upholstery and a fixed quilted seat. The frame is in wood and the legs in chrome.

Benefits & functions

- Can be upholstered in fabric or leather.
- Can be equipped with a power box.
- Can be equipped with a writing tablet. It is available in three different designs.

The legs are available in black, silver or white lacquer alternative in Offecct Flexicolor.

TECHNICAL INFORMATION
